Rev. 09-17-02

Factory Finish (16)	Clear or stain with satin gloss Enviroclad UVTM finish	
Warranty	Door - Full; life of original installation (1) Workable Surfaces - Free from Defect	
Security Rating	Workable Surfaces Doors have not been tested for Security Rating	
Acoustic Rating	Workable Surfaces Doors have not been tested for Acoustic Properties	

NOTES:

- (1) Use of Marshfield DoorSystems, Inc. doors in exterior applications is not recommended and not warranted.
- (2) Fire retardant stiles eliminate the need for metal edge and astragal.
- (3) 2-ply full outer stile available.
- (4) Laminated Strand Lumber (LSL) or hardwood at mill option.
- (5) Wider rails available.
- (6) Bottom rails are a minimum 2-1/2" in doors requiring deep mortise machining for closers, holders, pivots, bottom seals, etc.
- (7) Marshfield DoorSystems, Inc. does not assume responsibility for choice of glazing materials used. Refer to Consumer Product Safety Commission 16 CFR 1201 CAT. II (1-1-97 Edition) to determine the need for safety-rated glazing.
- (8) Lites will be allowed up to 110" in length on DPC-1 doors but will not be covered by the Marshfield DoorSystems, Inc. warranty.
- (9) Minimum 5" from lite to any edge or adjacent openings, including hardware cutouts.
- (10) If 1/4" wired glass is used in doors that are shipping to Canada or anywhere that requires hose stream testing, Trim-Lite™ moulding is required.
- (11) Minimum 5-1/2" from lite to any edge or adjacent openings, including hardware cutouts.
- (12) On Non-rated (DPC-1) doors, the minimum distance requirement is 5" from the Workable Surface profile to any door edge, lite opening, or hardware cutout.
- (13) On Rated (DFP-20) doors, the minimum distance requirement is 5-1/2" from the Workable Surface profile to any door edge, lite opening, or hardware cutout.
- (14) All fire-rated doors must be machined by Marshfield DoorSystems, Inc. or other approved fire door machiners. Factory machining of surface-mounted exit devices with face holes 1" and larger is available.
- (15) Viewers or raceways are not available on Workable Surface doors.
- (16) All colors may not be available.

Cross Sectional View of Workable Surfaces Door

Note: Marshfield DoorSystems, Inc. doors are manufactured per the standards listed n this page. Specifications are subject to change without notice.
